

# Seating Plan

## Seating Plan

Seating Plan a program which will enable all Teachers to create a Virtual room on their Computer of each of their Lessons.

Students will then know where they will be sitting, if any cover teacher has to cover then they can use the same plan. You can create a Blank Room or use a Template.

## Some of the Features:

- 3 Different type of Desk  
Small, Standard & Enhanced.
- Show Students Photos On/Off.
- Switch On/Off Student information.
- Add 2 Support Workers to your Seating Plan.
- Swoop Students around to different desks.
- Select a Single Student at Random or Flash all desks at Random.
- Drag Students to Desk if using a Template.
- Hi-light Student desks who have Pupil Premium.
- Quick links for your Favourite links or programs.
- Print the Seating Plan, with or without Student Information.
- Print Photos of the Students at their desks in their room.
- 3 ways to align the Desks, by the Grid, align by Top or Left side.
- View all Plans or just your own Seating Plans.
- Delete your own Plans only no-one else's.
- Drag and drop Students to empty desks.

## Some of the Features cont.:

Customize your colours for Teacher, Student and Support desks.

Select what information you want to see on the Desks:

- Gifted and Talented
- Pupil Premium
